SOLD OUT

Michele's Moments

Are you ready for summer? Hot temperatures are on there way. Spring is officially here, but I think if you blink you will have missed it! It is time for the annual air conditioning check to make sure everything is in good working order so that you will have cool air when you absolutely will need it!

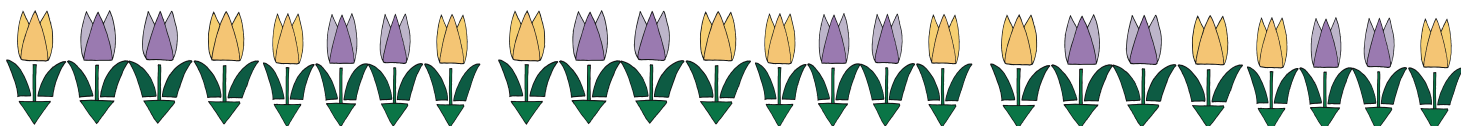

Everyone has asked me several times about when the Southwest Stringers will be returning to the Pyle Center. Well, I finally have an answer! They will be here for the Mother's Day Luncheon on May 2 at 12:15 pm. The Southwest Stringers Group is the orchestra my 12 year old son plays in from Booker T. Washington Elementary School in Mesa. We are planning a fantastic lunch that day in honor of all the Mother's...and topping it off with great entertainment! Plan ahead to attend, it could fill up!

A great big congratulations to all those who participated in the Radio Music show in March! We had a huge cast, and almost 300 people attended the shows! Great job to all of you who performed! Plan now for next year's performance, since this year's musical went over so well....it will be another musical! We look forward to many of you performing again, because it has gotten raving reviews!

A side note for all to read.....many of you enjoy jokes at the Pyle Adult Center and love to share them with staff, however, they have begun to get very politically incorrect, inappropriate, offensive and often, push the envelope on sexual harassment. Due to the political arena that we as staff work in, we can get into a lot of trouble, suspended without pay, or even terminated, by reading, laughing and sharing the jokes with you and others in the facility. I ask that you please do not share the inappropriate or offensive jokes with staff during work hours. We all really do not want to jeopardize staff and their positions, and what may seem innocent, often can get staff into trouble. I appreciate your cooperation and hopefully you understand. If you have questions regarding this issue, please let me know and I can explain it further.

I am planning my summer vacation, and I am off to Kauai again, beach, snorkeling, sunshine, luaus, and maybe to I will learn how to windsurf this year. If any of you have a fun vacation planned or going to some place exotic please share your plans and I will pass them along. I am going to write about vacations in the upcoming Michele's Moments and it would be fun to include your travels as well!

Remember, the White Elephant sale is scheduled for April 11, come enjoy the day, and buy you some new junk, I mean treasures for your house!
